

# GYA surveys

*James Robinson; Kristina Tietjen*

*18 July 2016*

## Summary statistics

As of Thu Jul 21 10:39:27 2016, 1978 surveys from 66 countries have been completed.

The majority of surveys were completed by researchers based in Canada ( $n = 1242$ ), followed by Israel ( $n = 178$ ) then by the UK ( $n = 133$ ) and the USA ( $n = 101$ ). 43 surveys did not identify their place of work.
