

# gya-survey-report\_\_developed&developing

*Kristina Tietjen*

**Number of responses by country**

Figure 1: Number of responses from developed countries

Figure 2: Number of responses from developing countries

## 4.4b Reason for Change

Reason for change in research type  
when Fundamental research decreased by 25%+  
(developed nations, 340 CA)

\begin{figure}

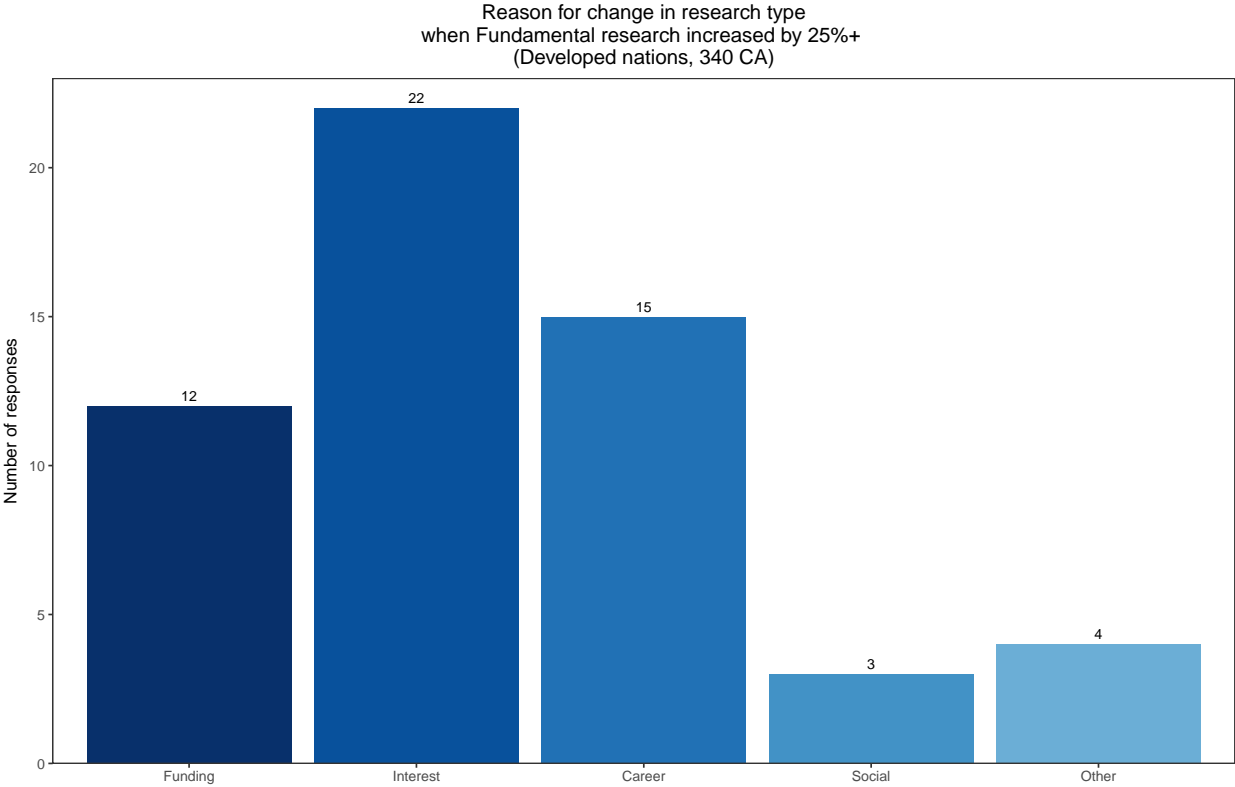

\caption{Reason for change in developed countries - Fundamental decreased 25%+} \end{figure}

Reason for change in research type  
when Fundamental research decreased by 25%+  
(Developing nations)

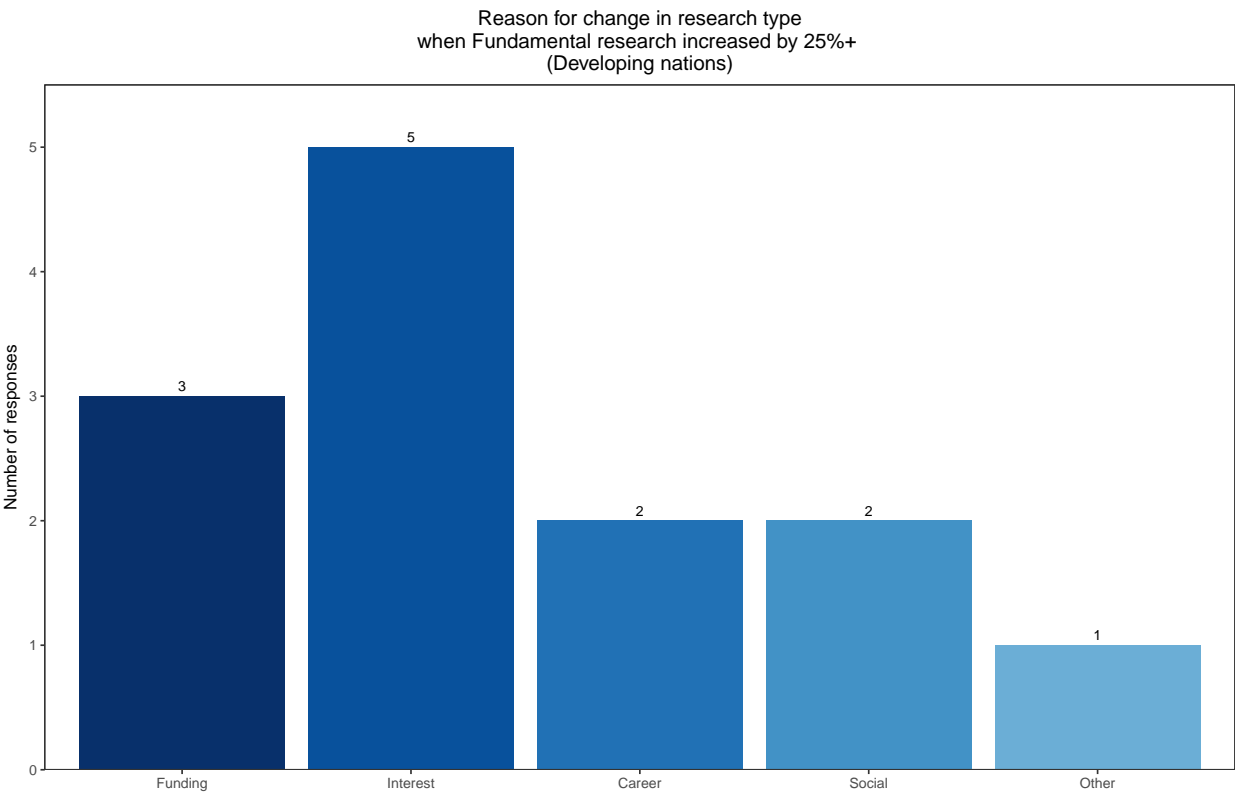

\begin{figure}
